Hair Conditioners & Treatments:  
"John Masters Organics Honey & Hibiscus Hair Reconstructor. A blend of exotic fruits and oils so natural you could eat it."

"According to stylist John Masters, zinc=good hair. That's why Melanie Griffith buys Masters's zinc shampoo which acts as a natural anti-dandruff agent. Janeane Garafolo, another client at his New York salon, uses the citrus detangler."

"John Masters Organics French Green Clay & Green Tea Purifying Mask gets out all the gunk while leaving your skin soft and radiant. Bonus: it smells like green tea."

"For an intoxicating wash, try John Masters Organics Lavender Rosemary Shampoo for Normal Hair."

"The best pomade I've tried — and I've tried them all. Great for both chunky and slick styles; never looks greasy."
